

# MEET THE SCHOOL PSYCHOLOGIST

## ALL ABOUT ME

I am beginning my 25th year as a School Psychologist and my 17th year at WD Hall. I love working with the staff and students at WD Hall and my job makes me happy. I love living in San Diego where I have quick access to the beach. I love cats, reading, photography, paddle boarding, yoga, watching sports, and spending time with my family. I love being an aunt!
