

(Week #16)

Friday, December 6, 2024

Math Enrichment Opportunities:

<http://nrich.maths.org/weekly>

**SKIPPED PROBLEMS ON HOMEWORK:** I am no longer accepting homework with skipped problems. Students must attempt to solve every assigned problem on their homework assignments. Remember, full credit on homework is issued if every problem is completed and all work is shown, regardless if the correct answer is given.

**TARDI ES:** Students need to be in their assigned seat ready to learn BEFORE the bell rings. PLEASE

**MY WEBSITE:** <https://www.cajonvalley.net/Domain/518> If you have a moment, please visit my website for information about me, the math curriculum, forms, tools, resources, and other things you may find helpful.

**INFRACTIONS:** An Infraction Log is kept daily for violations of basic school and classroom rules, which include but are not limited to the following: Gum, Tardy, Cell Phone ON, Inappropriate Use of Technology, Disruption, Not bringing necessary school supplies (charged chromebook and charger), Profanity, Dress Code, etc. EVERY 3 INFRACTIONS RESULT IN ONE LOWERED CITIZENSHIP GRADE.

**GRADES:** I update grades every FRIDAY and post them in my gradebook program iGrade Plus and will be emailed to you on Fridays. If you and your student check his/her math grade before Friday, there may be blank entries. This means I have yet to enter the grades for that assignment, so please check back on Friday. Assignments turned in on Friday will NOT be reflected on the emailed report until the following week.

If you are not receiving emailed grade reports, please email me a working email for you so I can update my records. Be sure to include your student's first and last name in the subject line of your email.

**NEXT WEEK'S HOMEWORK:** You can find next week's math homework assignments at <https://www.cajonvalley.net/Page/11701>. Make sure you click on the correct week and are looking in your student's course column for the assignments. \*Please note, that although my lesson plans on my website are accurate, some changes may occur without notice.

**UP-COMING EVENTS/DATES:**

Today Times Test, Integers Test #3, P.A.T.

Dec.10 – Dec.13 I Ready Diagnostic #2
