The District has a capital improvement program to build and renovate school facilities. The program includes the construction of new schools, the renovation of existing schools, and the purchase of land for future schools.

The program is funded by a combination of state and local funds. The state provides a significant portion of the funding, while the local government provides the remainder.

The program is managed by the District's Capital Improvement Committee, which is responsible for reviewing and approving all capital improvement projects.

The program is a key part of the District's long-term planning and is essential for ensuring that the District's schools are able to meet the needs of the future.

The program is a testament to the District's commitment to providing the best possible education for all of its students.

The program is a source of pride for the District and its residents, and it is a testament to the hard work and dedication of the District's staff and community.

The program is a key part of the District's identity and is a source of strength and resilience for the District and its residents.
